Group Accident Insurance

How does it work?

Accident Insurance provides a set benefit amount based on the type of injury you have and the type of treatment you need. It covers accidents that occur on and off the job. And it includes a range of incidents, from common injuries to more serious events.

Why is this coverage so valuable?

It can help you with out-of-pocket costs that your medical plan doesn't cover, like co-pays and deductibles. You'll have base coverage without medical underwriting. The cost is conveniently deducted from your paycheck. You can keep your coverage if you change jobs or retire. You'll be billed directly.

Who can get coverage?

You	If you're actively at work*
Your spouse	Can get coverage as long as you have purchased coverage for yourself.
Your children	Dependent children from birth until their 26th birthday, regardless of marital or student status.

^{*}Employees must be legally authorized to work in the United States and actively working at a U.S. location to receive coverage. See Schedule of benefits for a complete listing of what is covered.

What's included?

Be Well Benefit

Every year, each family member who has Accident coverage can also receive \$50 for getting a covered Be Well screening test, such as:

- Annual exams by a physician include sports physicals, well-child visits, dental and vision exams
- Screenings for cancer, including pap smear, colonoscopy
- Cardiovascular function screenings
- Screenings for cholesterol and diabetes
- Imaging studies, including chest X-ray, mammography
- · Immunizations including HPV, MMR, tetanus, influenza

Organized Sports Benefit

Each family member that has Accident coverage is eligible for a 25% increase in payable benefits within the Injury and Treatment schedule of benefit categories. See disclosures and schedule of benefits for more information.

Unum | Group Accident Insurance

Organized Sports Benefit

This increased benefit payment will be applied if the covered Accident occurs while playing an organized sport that required formal registration to participate and is officiated by someone certified to act in that capacity.

Active employment

You are considered in active employment if, on the day you apply for coverage, you are being paid regularly for the required 15 hours each week and you are performing the material and substantial duties of your regular occupation. Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective. New employees may have a waiting period to be eligible for coverage. Please contact your plan administrator to confirm your eligibility date.

If enrolling, and eligible for Medicare (age 65+; or disabled) the Guide to Health Insurance for People with Medicare is available at https://www.medicare.gov/publications/02110-choosing-a-medigap-policy-a-guide-to-health-insurance-for-people-with-medicare.pdf.

Effective date of coverage
