

Digital ID on the go

Easy access to Unum ID cards

With digital ID cards, you can access your benefits instantly, share them effortlessly and never worry about losing a physical card again. This feature provides real-time, up-to-date information, allowing you to manage your benefits anytime, anywhere.

The digital difference

Always available

Digital ID cards* are available for printing or downloading 24/7 through MyUnum for Members. No more waiting for the mail or worrying about misplaced or damaged cards.

Easy to share

Our digital ID cards can be easily emailed or shared from any device, including mobile phones, making it simple to share with dependents or providers.

Enhancing access and security

On the portal, you can access more than your ID card. You will also find information like your plan details, claims and benefits usage.

Learn more

Not only can you get your ID card online, but you can find a dental provider near you at unumdentalcare.com.
